

OREGON ASSOCIATION OF
COUNTY ENGINEERS AND SURVEYORS

P.O. BOX 12729, SALEM, OREGON 97309

**2010 SEVENTEENTH ANNUAL EQUIPMENT OPERATOR
TECHNICAL TRAINING SCHOOL
& SKILLS DEMONSTRATION**

September 14 – 16, 2010 – Linn County Fairgrounds, Albany, Or

Dear Exhibitor:

You are cordially invited to join industry representatives and exhibit your products for two and a half days at the Equipment Operator Technical Training and Skills Demonstration. We are proud to have our educational event endorsed by the Oregon Association of County Engineers and Surveyors (OACES).

This year's accredited classroom training will include topics designed specifically for Public Works and Road Department maintenance activities.

At the popular Skills Demonstration, equipment operators compete in truck w/snowplow, grader, loader, backhoe, chain on/off and truck pre-trip events for prizes and recognition. The primary objective of the competition is to demonstrate developed personal skills, promote safety and to demonstrate the capabilities of machinery and equipment used during field operations. As with past competitions, the two Top Gun winners get a chance to go, as a team, to the APWA Colorado National Competition.

As an industry representative your company has a rare and exciting opportunity to display and participate in this successful Oregon event! The Equipment Operator Technical Training and Skills Demonstration is being held September 14 – 16, 2010 at Linn County Fairgrounds – Albany, Or. We invite your company to be an exhibitor or a sponsor for this event.

Should you choose not to become an exhibitor, your company may be a benefactor by sponsoring a break, lunch or awards banquet. As a sponsor you will receive special recognition in the conference program as well as during the conference.

Exhibitor Packages Include - \$250 Contribution

- Recognition at training school general session, Skills Demo and Awards Banquet
- Table (8') for indoor display in a high traffic area for 2 ½ days of the training school
- Display equipment indoors or outdoors during Skills Demo
- Lunch provided during the two-day event of the Skills Demo on September 14th and 15th
- Dinner for **two** at the Awards Presentation on September 15th

There are a limited number of exhibit spaces available; we recommend you register before July 31st. To reserve a space, complete the exhibit registration form and return it with payment.
